SPECIFICATION SHEET

Como Armless Chair

SKU: 1441

DESCRIPTION

Discover the Como Armless Chair, embodying transitional-modern elegance with an airy, unexpected design on a robust aluminum frame. Inspired by 1960s minimalist aesthetics, it offers optional cushions and a fully woven seat deck for effortless comfort on N-Dura[™] resin wicker, which is designed to withstand the test of time and usage. This armless chair blends artful design with practicality that pushes conventional boundaries and explores a more contemporary style. Our exclusive N-Dura[™] Ultra UV Resistant Resin Wicker sets our outdoor furniture apart with unmatched durability and UV protection in the industry. This item is designed to be enjoyed either with or without a cushion. Please designate your choice in the below "Select a Cushion" dropdown.
