

SPECIFICATION SHEET

Carey Sleeper

SKU: SCH-970

DESCRIPTION

The playful, dainty silhouette of the shelter framed Carey Sleeper Sofa is accented by a scalloped corner and high back. The hidden pull out beneath the seat morphs the sofa into a queen size bed. Two fabric straps allow the hidden trundle to roll out from beneath the frame, and then pull and lift to bring the additional innerspring cushion up to the seat for a complete bed. Contact your local sales rep to see our full assortment.
