

SPECIFICATION SHEET

Ashland Adirondack N-Dura

SKU: 2690

DESCRIPTION

The N-Dura™ Ashland Adirondack chair embodies timeless relaxation, merging classic design with innovative material. Crafted from our exclusive N-Dura™ wood, this chair not only mirrors the appearance of wood but also incorporates modern UV inhibitors and stabilizers. These features assure durability in all climates, especially coastal ones, while resisting color fading, mildew, and wear. Embrace comfort without the concern of frequent maintenance, allowing this piece to remain a carefree addition to your tranquil outdoor sanctuary.
