Baldwin Settee

SKU: SCH-1002

DESCRIPTION

The Baldwin Settee offers a contemporary twist on traditional European designs, blending soft curves with precise tailoring. Its distinguished profile features elegantly sloped arms that pay homage to classic forms, while the down-filled cushion ensures a plush, comfortable seating experience. Unique to its design is a subtle seat curve, creating a narrower middle that enhances the settee's sophisticated silhouette. This piece marries timeless elegance with modern comfort, making it a luxurious addition to any living space. Visit your local store to explore the nailhead patterns available with the Baldwin collection and experience its comfort and design firsthand.
