

SPECIFICATION SHEET

Baldwin Sofa

SKU: SCH-1003

DESCRIPTION

The Baldwin Sofa offers a contemporary twist on traditional European designs, blending soft curves with precise tailoring. Its distinguished profile features elegantly sloped arms that pay homage to classic forms, while the down-filled cushion ensures a plush, comfortable seating experience. Unique to its design is a subtle seat curve, creating a narrower middle that enhances the sofa's sophisticated silhouette. This piece marries timeless elegance with modern comfort, making it a luxurious addition to any living space. Visit your local store to explore the nailhead patterns available with the Baldwin collection and experience its comfort and design firsthand. Contact your local sales rep to see our full assortment.
