Northampton Coffee Table

SKU: SCH-175097

DESCRIPTION

A true shape shifter, the Northampton Coffee Table has the option of expanding its reach whenever the need arises. Its oval, tempered glass-top mainframe houses a pair of tiered tables that swing out for convenient access. That means more snacks on big game days and wine bottles at book club. The silver acid etched finish on the smaller nesting table tops counterplays beautifully with its champagne-finished iron frame.
